PAPAK, Magistrate Judge:

Before this court are two discovery motions filed pursuant to Rule 37(a) of the Federal Rules of Civil Procedure: plaintiffs' motion to compel production of documents responsive to requests number three, four and five of plaintiffs' First Request for Production of Documents (#24), and plaintiffs' motion to compel response to interrogatories and production of documents responsive to plaintiffs' Second Request for Production of Documents (#29). Defendant has filed no resistance to these motions.

Plaintiffs are entitled to the documents and information they seek from defendant. Plaintiffs' motions to compel (#24 and #29) are hereby granted.
